Graham Saunders : Cambodia - Culture Smart!: The Essential Guide to Customs Culture before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cambodia - Culture Smart!: The Essential Guide to Customs Culture:

0 of 0 people found the following review helpful. Older information, but an insightful guide nonetheless! By Genevieve cookA very easy to read, enjoyable guide! I found the insights to business culture to be especially useful. The book includes not only culture and customs, but also a brief history of the country from the glory days of the Angkor empire, the tragic genocide of the 70's, as well as some recent political history. (The book was published in 2008 though, so it isn't the most up to date source!) Moreover, the chapter on making friends and adjusting to life was

also interesting as it offered some ideas on building social circles with both expats and locals. Overall I enjoyed this book, and recommend it to those who plan to relocate to Cambodia, particularly for business. I gave it four stars simply because I would have enjoyed a more recently published version. 0 of 0 people found the following review helpful. Yes A very pleasing I and a great input to moving and loving in Cambodia By Ross Laird Yes A very pleasing I and a great input to moving and loving in Cambodia. To me I feel more relaxed about my move to Cambodia and be able to read were you can find what you could need was great. Thanks 0 of 0 people found the following review helpful. Cambodia - Culture Smart!: the essential guide By thomas my girlfriend is from Cambodia, bought this as a way to learn about the Khmer and understand and study the history if Cambodia, it's been a really big help so far

Culture Smart! provides essential information on attitudes, beliefs and behavior in different countries, ensuring that you arrive at your destination aware of basic manners, common courtesies, and sensitive issues. These concise guides tell you what to expect, how to behave, and how to establish a rapport with your hosts. This inside knowledge will enable you to steer clear of embarrassing gaffes and mistakes, feel confident in unfamiliar situations, and develop trust, friendships, and successful business relationships. Culture Smart! offers illuminating insights into the culture and society of a particular country. It will help you to turn your visit-whether on business or for pleasure-into a memorable and enriching experience. Contents include: * customs, values, and traditions * historical, religious, and political background * life at home * leisure, social, and cultural life * eating and drinking * dos, don'ts, and taboos * business practices * communication, spoken and unspoken

"Culture Smart! has come to the rescue of hapless travellers." —Sunday Times Travel
