Occasionally, they find they have a minute of free time here and there, and that's how they came to be the authors of, among other books, *Buying, Owning and selling a Home in Canada* (now in its second edition); *Canadian Tort Law in a Nutshell* (with Laurence Olivo, also in its second edition); *Legal Research: Step by Step* (with Arlene Blatt, another one in its second edition!); *Make it Legal: What Every Canadian Entrepreneur Needs to Know About the Law*; and *Facing a Death in the Family*. They're also the authors of another excellent *For Dummies* book that's to die for—*Wills and Estates for Canadians For Dummies Planning Kit*.
