This book has been very helpful in beginning to learn the symbols of the candlestick charts. It is easy to read, written at a "lowest common denominator" level (yes, that's me). I recommend this book for anyone that looks at a candlestick chart and wonders "what the hell is all that?"2 of 2 people found the following review helpful. Great opportunity for learning candlesticksBy Knolls949I appreciate having a workbook where I can test my understanding of the lessons. Greg Morris is my favorite candlestick teacher.1 of 1 people found the following review helpful. Five
