**M. Starita, I. Malafronte : Capital Requirements, Disclosure, and Supervision in the European Insurance Industry: New Challenges towards Solvency II** before purchasing it in order to gage whether or not it would be worth my time, and all praised Capital Requirements, Disclosure, and Supervision in the European Insurance Industry:

## New Challenges towards Solvency II:

Capital Requirements, Disclosure, and Supervision in the European Insurance Industry provides an in-depth analysis of Solvency II's issues by combining both a theoretical approach and evidence of the empirical implications and effects on the European insurance industry.
