Trudy Ring : Careers in Finance (Careers inhellip;Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Careers in Finance (Careers inhellip;Series):

0 of 0 people found the following review helpful. Nice support. Good for graduates.By AnnaUseful information to learn to swim in the ocean of possibilities however not enough.More detailed information for some chapters needed.But anyways this book worth its reading.0 of 0 people found the following review helpful. Careers in FinanceBy Bettina in NYCI am a Career Management Coach and I bought this book for my business library. It has been very helpful to me in working with my clients, many of whom work in Financial Services.0 of 0 people found the following review helpful. Five StarsBy Donna RobersonI am very happy with this product.

Ideal for college-bound students or anyone thinking about making a career change, this series offers information needed to explore and choose a profession and then narrow it down to a job that suits them. Each book details the responsibilities, education and training required, and employment outlooks for dozens of satisfying careers in the field.
