A Comprehensive Story of one of Chicago's great retailers- Carson's!By L J SIf you like to know about the history of one of Chicago's great retailers this book about Carson's is the one to read. I found it quite interesting and not only because I was born and raised in Chicago but because it

captured the spirit of one of Chicago's great department stores!. They have other books on the other local retailers of Chicago but this one about Carson, Pirie, Scott and Company was exactly what I was interested in reading about one of Chicago's great local retailers. I wish it was still owned locally but times change and glad they kept the local name here instead of changing it to the corporate name of the retailer Bon-Ton. 0 of 0 people found the following review helpful. Interesting historical read By Robert Anyone who 's interested in Chicago history needs to read this book, along with the book about Marshall Field and Company. 1 of 1 people found the following review helpful. Memories By sel1951 I have many, many fond memories of shopping at Carson's during trips to the Loop for shopping, especially at Christmastime. A bonus for me were the pictures of my late uncle, Norb Armour.

Carson Pirie Scott and Company always enjoyed a sterling reputation in Chicago, even among the merchant princes of State Street. For more than one hundred years, in architect Louis Sullivan's stunning commercial masterpiece, Carson's stood shoulder to shoulder with retail icon Marshall Field's, establishing itself as an anchor of contemporary style. It was a place that brought the world to the Midwest, from Parisian fashion to the authentic ambiance of the Mediterranean dance numbers and the Santa's Village displays. Relive the friendly shopping experience that has kept the Carson's name alive for over a century and a half.

About the Author Gayle Soucek is an author and freelance editor with more than a dozen books to her credit, including *Marshall Fields: The Store That Helped Build Chicago*; *Chicago Calamities: Disaster in the Windy City*; and a few other titles with The History Press. Ward Miller is the president and executive director of Preservation Chicago and the former executive director of the Richard Nickel Committee.
