John Carver : CarverGuide 08: Board Self-Assessment (J-B Carver Board Governance Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised CarverGuide 08: Board Self-Assessment (J-B Carver Board Governance Series):

Offers a novel whole-systems approach to this primary task by outlining the guiding principles of successful self-assessment. Your board will learn how to craft a policy that will spell out its job description and plan its conduct. In addition, it will learn how it can best implement self-assessment to see if it is doing its job and acting as it had planned.
