Moritz von Gliszczynski : Cash Transfers and Basic Social Protection: Towards a Development Revolution? (Rethinking International Development series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cash Transfers and Basic Social Protection: Towards a Development Revolution?

(Rethinking International Development series):

Cash Transfers and Basic Social Protection offers a ground-breaking analysis of the discourses that facilitated the rise of cash transfers as instruments of development policy since the 1990s. The author gives a detailed overview of the history of social protection and identifies the factors that made cash transfers legitimate policy.

About the Author Moritz von Gliszczynski is a leading researcher at LAG Soziale Brennpunkte Niedersachsen, Germany. He holds a PhD in sociology from Bielefeld University and from 2010 to 2013 worked as a researcher for the Financial Assistance, Land Policy, and Global Social Rights research group (FLOOR).
