R.J. Chambers, Graeme W. Dean : Chambers on Accounting: Logic, Law and Ethics: Volume 6 (Routledge New Works in Accounting History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Chambers on Accounting: Logic, Law and Ethics: Volume 6 (Routledge New Works in Accounting History):

This volume is dedicated to the life work of Ray Chambers, who was continually seeking ways to stimulate and advance the development of a demonstrably rigorous and serviceable system of accounting. This search for an ideal led Chambers into myriad environments, an aspect of his life exhaustively illustrated in his "Aide Memoire," which forms part of this memorial volume.
