**Louise Bedford : Charting Secrets: Trade Like a Machine and Finally Beat the Markets Using These Bulletproof Strategies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Charting Secrets: Trade Like a Machine and Finally Beat the Markets Using These Bulletproof Strategies:

A leading Australian trader shows you how to succeed on the sharemarket with proven charting techniques Now completely revised with the latest trading information, this revised edition of bestselling author Louise Bedford's Charting Secrets is the perfect guide for beginners and experienced traders and chartists alike. Unlike other books on trading, you'll find no get-rich-quick schemes here. Bedford believes that successful trading is a matter of study and

hard work, just like any other job. With this in mind, Charting Secrets serves as a workbook that will have you practising what you read and mastering charting techniques as you go. The book begins with explanations of charting patterns and methods and includes sample charts for you to practise on, as well as step-by-step solutions that allow you to compare your results to hers. Features practical charting advice and sample charts that let readers learn techniques as they read Covers charting basics, as well as candlestick charting and system development, macro reversal and continuation patterns, trading psychology, and much more Written by a bestselling author known as one of Australia's most compelling speakers on trading Whether you're new to the trading game or an experienced trader looking to polish your charting techniques, Charting Secrets will show you how to turn potential into profit.

From the Back Cover Are you tired of letting the markets hit you in the hip pocket? Does following complicated strategies just not cut it anymore? Do you want your trading business to run on autopilot? Well, you need to trade like a machine! Only then will you finally beat the markets and achieve the trading success you deserve. More workbook than technical reference, this user-friendly updated edition of Louise Bedford's best-selling book Charting Secrets will show you how easy and intuitive trend-spotting can be. Inside you'll find: tonnes of sample charts to practise on step-by-step solutions so you can gain confidence and skill psychology secrets to revolutionise the way you think about money bulletproof techniques so you'll never be stuck on the wrong side of a trend again. Become a self-assured trader who is capable of spotting hidden pockets of money in the markets. Take control of your own destiny and let Louise be your trading mentor. About the Author Louise Bedford has been trading for over 20 years and is one of Australia's best-selling authors on the sharemarket. Shortcut your way to success by following her methods.
