Lorenzo Riccardi : China Accounting Standards: Introduction and Effects of New Chinese Accounting Standards for Business Enterprises before purchasing it in order to gauge whether or not it would be worth my time, and all praised China Accounting Standards: Introduction and Effects of New Chinese Accounting Standards for Business Enterprises:

This book provides an exhaustive overview of China's accounting standards and makes a clear comparison between Chinese and international accounting systems. It offers an essential guide to dealing with new accounting standards for business enterprises in China. The guide provides valuable support to accountants and professionals when comparing the new standards adopted in China with the corresponding principles under IAS/IFRS and appraising potential outcomes. The comparative approach together with comments and easy-to-use numerical examples allow readers to quickly grasp these accounting systems.
