David Harris : CIMA: Pass First Time! before purchasing it in order to gage whether or not it would be worth my time, and all praised CIMA: Pass First Time!:

0 of 0 people found the following review helpful. some useful tips and adviceBy C.J. GuildHaving passed all but one Management level paper, I have failed the last one several times. This book gives some useful advice about "smart" study techniques and the benefits of planning your answers properly for maximum marks. Now I see why I was failing and feel more confident about my next exam attempt in November.1 of 6 people found the following review helpful. Not what I was looking forBy Caitlin F.It's too bad there are so many acronyms out there. This book had nothing to do with what I was looking for. I still have it, but I haven't read bast the first page.
