It is basically a history of the growth of Youngstown. Extremely interesting. Ordered extra copy for my Youngstown friends. 2 of 2 people found the following review helpful. Five Stars By James A. Napoli Excellent chronology of the

dining spots in Youngstown. Very enjoyable reading.

Celebrate Youngstown's proud tradition of dining out, a commitment to hospitality that has endured through the tightening of the Rust Belt. Take a tour of restaurants like the MVR and the Boulevard, which continue to reflect Youngstown's ethnic diversity and tenacious entrepreneurial spirit, as well as establishments like Overture, which offer a promise of urban renewal from a refurbished downtown. And raise your glass to the best-laid tables of a bygone era, from the Mural Room to the 20th Century.
