**T. Sonobe, K. Otsuka : Cluster-Based Industrial Development: A Comparative Study of Asia and Africa** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cluster-Based Industrial Development: A Comparative Study of Asia and Africa:

This book examines how to promote industrial development in low-income countries. It considers the role of traders in the evolution of a cluster, the role of managerial human capital, the effect of the 'China shock', and the role of industrial policies focused on international knowledge transfer in supporting the upgrading of clusters.
