From Palgrave Macmillan : Investing in Asian Offshore Currency Markets: The Shift from Dollars to Renminbi (Global Financial Markets) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Investing in Asian Offshore Currency Markets: The Shift from Dollars to Renminbi (Global Financial Markets):

The offshore currency market is a foundation of offshore bond market, helping well-established corporations in global financing. Following the global financial tsunami in 2008 and European debt crisis in 2009-2011, this book aims to document the latest issues, challenges, trends and thoughts relating to offshore currency markets in Asia.
