Ray Tricker : ISO 9001:2000 Audit Procedures before purchasing it in order to gage whether or not it would be worth my time, and all praised ISO 9001:2000 Audit Procedures:

0 of 0 people found the following review helpful. Five StarsBy E. DennyGood but not up to date. ISA 9001: 20160 of 0 people found the following review helpful. Bargain of the yearBy Stephan MaileThis book must be the bargain of the year for any small business to use as a template for succesful auditing to the international standard.In addition the sample documents are meticulously presented and are easy to follow. Consequently it enables both the layman and the experet to develop a comprehensive audit plan, checklists and audit reports.The contents enable current ISO 9001:1994 sytem users to easily transfer to the new standard.As a professional trainer I have fould the book to be an

invaluable aid to support training programmes. Any company purchasing the book will save thousands in consultancy fees...

In order to meet the recommendations, requirements and specifications of ISO 9001:2000, organisations must undertake an audit of their own quality procedures and those of their suppliers. Likewise, when supplying ISO 9001:2000 accredited customers, suppliers must be prepared to undergo a similar audit. Revised, updated and expanded, ISO 9001:2000 Audit Procedures describes the methods for completing management reviews and quality audits, and outlines the experiences of working with 9001:2000 since its launch in 2000. It also includes essential new material on process models, generic processes, the requirements for mandatory documented procedures, and detailed coverage of auditors questionnaires.
