**Robert Bradford : Keeping Ontario Moving: The History of Roads and Road Building in Ontario** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Keeping Ontario Moving: The History of Roads and Road Building in Ontario:

The development of roads and highways was critical to early economic and social development of Ontario. This book traces the history of roads and the road-building industry in Ontario from the eighteenth century to today, and documents how roads and bridges have developed, introducing the contractors and companies that have built them.

About the Author Robert Bradford is an award-winning business journalist and fiction writer who spent thirty-five years working with the Ontario construction and road building industries, most recently as Executive Director of the Ontario Road Builders' Association.
