Duff McDonald : Last Man Standing: The Ascent of Jamie Dimon and JPMorgan Chase before purchasing it in order to gage whether or not it would be worth my time, and all praised Last Man Standing: The Ascent of Jamie Dimon and JPMorgan Chase:

0 of 0 people found the following review helpful. Great book about a great bankerBy Felipe Lessa MarcilioThough too much unrestricted praise for Dimon, he surely is one of the top bankers the world has seen. Very good book, with

much history of each of Jamie's career steps and phases, and also the details of the banks and the decisions that were made. The Epilogue is unnecessary, as the comparison between Jamie and Sandy is vain ... saying that Jamie is bigger (or vice-versa) is irrelevant and wrong ... both are who they are, and accomplished what they accomplished, because of each other (would Sandy be Sandy without Jamie's sharp mind? And would Jamie be Jamie if Sandy had not believed in him and gave him all the exposure to the core of banking in his early 30's?). Overall, a great book for anyone who wants to learn more about the banking industry, and one of its main protagonists. 0 of 0 people found the following review helpful. I am very pleased that I purchased this book. By Mildred P. I am very pleased that I purchased this book. All I can say is that Mr. Dimon is outstanding in his leadership style. The way that he has lead JP Morgan Chase Bank through the good and bad times is awesome. I think Mr. Dimon would have made a great president. This book is good reading. 0 of 0 people found the following review helpful. A very good book covering more than just Jamie Dimon! By Miller. Jamie Dimon is a business leader of whom I had read very little prior to this book. He is not a shadow figure; rather he is a forceful, very visible presence in almost any situation. From his school days to his current reign he has been unafraid and unabashed in spouting his opinions, however well or poorly they may be received by their audiences. The problem for most of his critics is that he is usually right! It may be said of most of us, "We learn from our mistakes." It may be said of Dimon, "He doesn't make many mistakes." The latter is laudable and may tend, as it does with Dimon, to inflate the ego of the one who usually does it right the first time. The book offered many insights about Dimon, Sandy Weill, Warren Buffett and others which broadened my knowledge base. It was a worthwhile purchase and belongs in any well-rounded business library, including yours!

In the midst of the most disastrous economic climate of Wall Street's history, one executive has weathered the storm more deftly than any other: Jamie Dimon, chairman and CEO of JPMorgan Chase. In 2008, while Dimon's competitors watched their companies crumble, JPMorgan not only survived, it made an astonishing \$5 billion profit. Dimon's continued triumph in the face of an industry-wide meltdown has made him a paragon of finance. In *Last Man Standing*, award-winning journalist Duff McDonald provides an unprecedented and deeply personal look at the extraordinary figure behind JPMorgan's success. Using countless hours of interviews with Dimon and his full circle of friends, family, and colleagues, this definitive biography is by far the most comprehensive portrait of the man known as the Savior of Wall Street. Now, in an updated prologue, McDonald offers insight into the future of Wall Street and how Dimon will overcome the challenge of aggressive new regulation from Washington—and how he plans to continue to thrive as the world's preeminent banker.

“An intimate . . . three-dimensional portrait of the executive, with lots of reporting from his friends and family.” —Mara Der Hovanesian, *BusinessWeek* “I look forward to her every release.” —Christine Feehan, #1 New York Times bestselling author “Exciting, taut, sexy.” -- New York Times #1 Bestseller Sandra Brown “An intimate . . . three-dimensional portrait of the executive, with lots of reporting from his friends and family.” —Mara Der Hovanesian, *BusinessWeek* About the Author A contributing editor at *The New York Observer*, Duff McDonald has also written for *Vanity Fair*, *The New Yorker*, *New York* magazine, *Fortune*, and *Esquire*, among other publications.
