**From SAGE Publications, Inc : Law Enforcement Ethics: Classic and Contemporary Issues** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Law Enforcement Ethics: Classic and Contemporary Issues:

0 of 0 people found the following review helpful. Five Stars By Jennifer H. Very good book! Easily understandable and easy to follow. 0 of 2 people found the following review helpful. A little repetitive and dense By heather It wasn't a terrible book, but it got really repetitive as I read on. There are only so many causes related to police deviance and this textbook just milked them for everything. I was also dense in that it took a lot to decipher what the author was trying to say. It's not a terrible book, I just don't plan on using it ever again

Law Enforcement Ethics: Classic and Contemporary Issues for the New Millennium covers many of the important

facets of law enforcement ethics, including the selection, training, and supervision of officers. Editor Brian D. Fitch brings together the works of a diverse task force with a vested interest in reducing officer misconduct—including law enforcement scholars, educators, and practitioners from a variety of disciplines—to present a comprehensive look at this critical subject that is gaining more attention in agencies and in the media today. The text covers topics on the roles of culture, environment, social learning, policy, and reward systems as they pertain to law enforcement ethics, as well as the ethics of force, interrogations, marginality, and racial profiling. This volume also covers several unique aspects of ethics, such as the role of Post-Traumatic Stress Disorder in misconduct (PTSD), cheating during law enforcement promotional practices, off-duty misconduct, and best practices in developing countries.

About the Author Brian D. Fitch, Ph.D., is a lieutenant and a 33-year veteran of the Los Angeles County Sheriff's Department. He has worked assignments in custody, field operations, investigations, and training. Dr. Fitch has trained more than 20,000 officers throughout the United States, as well as internationally in Canada, Oman, Qatar, Saudi Arabia, and the United Arab Emirates, in leadership and communication skills. He holds faculty positions at California State University—Long Beach and Woodbury University. Dr. Fitch has published one prior book with Sage, *Law Enforcement Ethics: Classic and Contemporary Issues* (2013).
