before purchasing it in order to gauge whether or not it would be worth my time, and all praised Libro de Texto de Balanza de Pagos: (Manuals Guides) (Spanish Edition):

The Balance of Payments Textbook, like the Balance of Payments Compilation Guide, is a companion document to the fifth edition of the Balance of Payments Manual. The Textbook provides illustrative examples and applications of concepts, definitions, classifications, and conventions contained in the Manual and affords compilers with opportunities for enhancing their understanding of the relevant parts of the Manual. The Textbook is one of the main

reference materials for training courses in balance of payments methodology.
