0 of 0 people found the following review helpful. Great Book with good examplesBy Bob MarshallGreat Book with good examples. I recommend it to anyone who needs to understand about the causes and relief of burnout is.0 of 0 people found the following review helpful. Practical fun and timelyBy Kobi Rex, MrI left feeling refreshed. Recommend to people who are sick of slogging through without hope. Gives hope and helps you move forward in life.0 of 0 people found the following review helpful. Have to have for leadership skillsBy niki terryThis is one of

those books you often see for leadership training. Its inspiring, encouraging, and gives good practical steps to follow. For managers on up or just to direct your self for self motivation.

Imbalance is natural. The key is to make it purposeful. In *Life on the Wire*, New York Times best-selling author Todd Duncan challenges the status quo in search of a better, smarter way to work and live. He profiles several people striking out to find "balance." You'll meet an entrepreneur, a bartender, and an accountant, among others. You'll hear their stories, their challenges, their insights, and the critical lessons they learned. Duncan contends the last thing we need amid life's inherent imbalance is another attempt at a how-to formula for perfect balance?equal parts work and life. In fact, he argues that such a holy grail does not exist. Instead, he has issued a more pragmatic formula he calls purposeful imbalance: the process of purposefully leaning toward work without sacrificing life and purposefully leaning toward life without damaging your career. It is precisely the way a tight-rope walker makes his way across a one-inch rope without falling. "I've always believed that when you're at work, you should work hard, and when you're at home, you should play hard. That's easy to say, but for a lot of people it's hard to do." In *Life on the Wire*, Todd Duncan clears up the myth about the "balanced" life and shows you how to rejoice in the purposeful—and planned—imbalanced life. —Dave Ramsey, Best-Selling author and host of *The Dave Ramsey Show*
