Infinite Ideas : Make More Money (Infinite Success) before purchasing it in order to gage whether or not it would be worth my time, and all praised Make More Money (Infinite Success):

0 of 0 people found the following review helpful. A new view to ancient knowledgeBy Stonewalker
Spoiler alert: This book contains no new ideas.What it does contain is well-written and ancient (okay, at least old) advice on how to accumulate WEALTH. Much of this information is long forgotten. Some of this information is ignored by today's "Get rich quick" society. What this book has is solid information on how to become wealthy.In the process you might discover what "wealth" really is and be able to define it for your own life. That alone is worth the price of this book.0

of 0 people found the following review helpful. InterestingBy MeganIt was a good book. Good ideas in there and important information. I tend to love reading these kinds of books anyways. I like to find out better ways to budget and save money and to use it wisely.0 of 0 people found the following review helpful. Five StarsBy adrakegood quality

Make more money brings together some of the greatest ideas on wealth and finance from four best selling books: Napoleon Hill's Think and grow rich; Benjamin Franklin's The way to wealth; George S.Clason's The richest man in Babylon and Charles Mackay's Extraordinary popular delusions and the madness of crowds. These self help classics have inspired generations of readers with simple and effective ideas that continue to resonate today. The wise lessons from these books have been interpreted here using twenty-first century case studies and modern business and personal finance examples. These 100 short, entertaining chapters, which include practical tips and inspiring quotes, are sure to get your finances working hard for you right now.

About the AuthorKaren McCreadie is a freelance writer who specialises in ghost-writing books and has written books for multi-millionaire businessmen, CEOs and international speakers on topics ranging from sales, coaching and wealth creation to the mind/body connection and psychological profiling. She is also the author of Adam Smith's The Wealth of Nations and Sun Tzu's The Art of War also in the Infinite Success series. Steve Shipside is a freelance journalist specializing in business, computing and fitness. He is the author of many books including Samuel Smiles's Self-Help and Karl Marx's Das Kapital (also in the Infinite Success series).
