Peter Hirshberg, Dale Dougherty, Marcia Kadanoff : Maker City: A Practical Guide for Reinventing American Cities before purchasing it in order to gauge whether or not it would be worth my time, and all praised Maker City: A Practical Guide for Reinventing American Cities:

1 of 1 people found the following review helpful. The Soul of the New 'Maker' MachineBy C FormanIn this fascinating new book, the trio of authors make an impassioned and clear-eyed case for 'Maker Movement' as a catalyst of a new age of urban economic and social success. This book is important reading for anyone trying to understand the explosive growth of the movement itself - its origins and intriguing impact in many places around the world. Thought-provoking and enlightening.* (*Be Advised: The Kindle Edition is very tricky to navigate).0 of 0 people found the following review helpful. Fix the FontBy Nazo no SutererinjaThe subtext font does not show up on my Kindle

Paperwhite, and there's LOTS of subtext. 4 of 5 people found the following review helpful. The book itself is full of great information. I can read that on the website ...By CustomerThe book itself is full of great information. I can read that on the website and the free online version. The Kindle version is basically unusable on a phone or most tablets. I have a large phone (5.7" screen) and the formatting makes it the pages very small and unreadable. Even on an 8" tablet there is a problem. Great book just don't get the kindle edition.

The Maker City Playbook is a comprehensive case studies and how-to information useful for city leaders, civic innovators, nonprofits, and others engaged in urban economic development. The Maker City Playbook is committed to going beyond stories to find patterns and discern promising practices to help city leaders make even more informed decisions. Maker City Playbook

Chapter 7: Real Estate Matters in the Maker City
Chapter 8: Civic Engagement in the Maker City
Chapter 9: The Future of the Maker City

Maker City Project is a collaboration between the Kauffman Foundation, the Gray Area for the Arts, and Maker Media.

About the Author Peter Hirshberg has led emerging media and technology companies at the center of disruptive change for more than 25 years. As chairman of Re:Imagine Group, Hirshberg shapes strategies at the confluence of people, places, brands and cities. He has led the development of Urban Prototyping, a global movement that engages citizens in the co-creation and co-planning of their cities. Hirshberg is an advisor for the Department of Labor's workforce development initiative. He has contributed to the United Nations Global Pulse where he addressed the General Assembly on their initiative for real-time data for international development. He is the former Chairman of Technorati, the pioneering social media search engine and ad network. During a nine-year tenure at Apple Computer, Hirshberg headed Enterprise Marketing. He is a Senior Fellow at the USC Annenberg Center on Communication Leadership and a Henry Crown Fellow of the Aspen Institute. Hirshberg is a frequent technology and media industry speaker, having presented at TED, the World Economic Forum, DLD, EG the Entertainment Gathering, and The Aspen Ideas Festival.
