Elearn : Managing Health, Safety and Working Environment (Management Extra) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Managing Health, Safety and Working Environment (Management Extra):

Are you looking to save your company money whilst improving employee well being? A safe, healthy working environment is good for business. The Health and Safety Executive (HSE) has identified companies where specific financial advantages were attributable to improved health and safety: one company saved pound;12 for every pound;1

it spent; a 73% reduction in employee insurance claims and 18% fewer days lost to injuries; a 50% reduction in civil claims. When you consider that in 2004-5 28 million working days were lost due to work-related ill-health and 7 million due to workplace injury, the benefits of a health and safety culture are obvious. This book explores the managerial roles and responsibilities with regard to safety. Applying key legal requirements to the workplace, it looks at how workplace facilities are managed and how materials and equipment are used, stored and maintained for optimum effectiveness. It not only aids organisations to achieve success, but to maintain it.

From the Back Cover Stuck for ideas, inspiration or just want to work differently? Management Extra brings all the best management thinking together in one package. The books are practical and well structured to provide an in depth treatment of these management topics. Titles in the series: * Business Environment * Change Management * Development for High Performance * Effective Communications * Financial Management * Information and Knowledge Management * Leadership and Management in Organisations * Leading Teams * Making Sense of Data and Information * Managing Markets and Customers * Managing for Results * Managing Health, Safety and Working Environment * Managing Legal and Ethical Principles * Managing Yourself * Positive Working Relationships * Project Management * Quality and Operations Management * Reaching Your Goals Through Innovation * Recruitment and Selection * Reputation Management The series fuses key theories and concepts with applied activities to help managers examine how they work in practice. The books are created with individuals in mind. They are designed to help you improve your management skills. Management Extra can also be used in conjunction with management programmes of study aligned to standards. Each of the books has case studies, self assessments and activities all underpinned by knowledge and understanding of the frameworks and techniques required to improve performance. Management Extra provides managers and trainers with a handbook for action and development. "You found it - what a find! A practical resource packed with all the relevant theory and suggested activities to support your professional development. An essential resource to have at your fingertips, jump in and enjoy."--Russell Jeans, Learning and Development Manager, ntl "All the essential concepts are here, presented in an easily digestible format with lots of up to date case studies and references - but, most importantly, with plenty of thought provoking activities and self-diagnostic exercises to make the learning personal and transferable."--Peter Manning, Head of Training Development, News International Newspapers Ltd
