**Peter Kunstadt : Promised Land: A Life's Journey to Success in Canada** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Promised Land: A Life's Journey to Success in Canada:

Peter Kunstadt took his chance in 1968 when Soviet Bloc forces occupied his homeland, Czechoslovakia ? he and his fiancée Susan were on holiday in Romania, and made a dash for the West with little more than their beach clothes. This is the story that led to that great escape ? surviving the Holocaust and Communist rule ? to the great

success that followed in Canada ? their promised land.Promised Land is the author's first book.
