"I loved reading Vincent Wong's new book, Property Entrepreneur. As a parent and working mum, I am extremely aware of my responsibility to my children; to teach them well when it comes to investing and becoming 'dealmakers' — the kind of stuff that isn't taught at school. My creative eyes have definitely been opened in a different way as Vincent's use of language truly hits home when it comes to sourcing deals (big or small) under 'the new rules'. This is perfect reading for those with an investment fire in their belly, regardless of their age or background." —Angie Greaves, Magic Radio Presenter and Mentor; Founder of "Feeling Fab Productions"
