Kenneth J. Arrow, Mordecai Kruz : Public Investment, the Rate of Return, and Optimal Fiscal Policy (RFF Environmental and Resource Economics Set) before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Investment, the Rate of Return, and Optimal Fiscal Policy (RFF Environmental and Resource Economics Set):

This book, co-authored by the Nobel-prized economist, Kenneth Arrow, considers public expenditures in the context of modern growth theory. It analyzes optimal growth with public capital. A theory of 'controllability' is developed and injected into public economics and growth models. Originally published in 1970
