Bloomsbury Publishing : QFINANCE: The Ultimate Resource, 4th edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised QFINANCE: The Ultimate Resource, 4th edition:

0 of 0 people found the following review helpful. First book to point out the need of complexity metrics in finance By Ontonix Great single source of information on finance. It's great to see that finally, complexity and complexity metrics are mentioned in the text. Complexity is the hallmark of our turbulent times and certainly a key characteristic of modern finance. This is one of the few texts that recognizes the need to incorporate complexity quantification in finance.

QFINANCE: The Ultimate Resource (4th edition) offers both practical and thought-provoking articles for the finance practitioner, written by leading experts from the markets and academia. The coverage is expansive and in-depth, with key themes which include balance sheets and cash flow, regulation, investment, governance, reputation management, and Islamic finance encompassed in over 250 best practice and thought leadership articles. This edition will also

comprise key perspectives on environmental, social, and governance (ESG) factors -- essential for understanding the long-term sustainability of a company, whether you are an investor or a corporate strategist. Also included: Checklists: more than 250 practical guides and solutions to daily financial challenges; Finance Information Sources: 200+ pages spanning 65 finance areas; International Financial Information: up-to-date country and industry data; Management Library: over 130 summaries of the most popular finance titles; Finance Thinkers: 50 biographies covering their work and life; Quotations and Dictionary.

“This is going to be incredibly useful to me. A really great reference guide.” Patrick Hosking, The Times (London)
“The wealth of knowledge in this is surprising.” Brian Caplen, The Banker
“QFINANCE: Impressive.” Adam Durchslag, Thomson Reuters
“QFINANCE is truly the most indispensable resource for both the budding finance professional and for those who consider themselves experts.” William D. Cohan, winner of the 2007 FT/Goldman Sachs Business Book of the Year Award
