Todd Schafer, Jeff Faux : Reclaiming Prosperity: Blueprint for Progressive Economic Policy: Blueprint for Progressive Economic Policy (Economic Policy Institute S) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reclaiming Prosperity: Blueprint for Progressive Economic Policy: Blueprint

for Progressive Economic Policy (Economic Policy Institute S):

This work presents a predicted summary of major economic challenges facing the United States in the last years of the 20th century. Intended to shape the platforms of the major parties and the general public, it contains proposals by leading specialists aimed at resolving such challenges.
