Qingmin Yan, Jianhua Li : Regulating China's Shadow Banks (China Perspectives) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Regulating China's Shadow Banks (China Perspectives):

China's shadow banking has been a top issue in the past few years. Scholars, policymakers, and professionals around the world are seeking deeper insight into the subject, and the authors had unique insight into the sector through their positions high up in the regulatory apparatus. "Regulating China's Shadow Banks" focuses on the regulation

of shadow banks in China and provides crucial information to demystify China's shadow banking and associated regulatory challenges. This book defines "shadow banking" in the Chinese context, analyzes the impact of shadow banking on the Chinese economy, includes a full-scale analysis on the current status of Chinese financial regulation, and provides valuable advice on the regulation of China's shadow banks.

About the Author Dr. Qingmin Yan is Chinese expert on financial regulation who has spent decades in positions at the China Banking Regulatory Commission and the People's Bank of China Dr. Li Jianhua (1965-2014) was an expert on non-bank financial institutions, China
