Robert Boyer, Yves Saillard : Regulation Theory: The State of the Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Regulation Theory: The State of the Art:

Robert Boyer and Yves Saillard's *Theorie de la Regulation* introduces the Francophone public to one of the most important new currents in social science of the past half-century. This long-awaited translation will help broaden its impact still further. Regulation Theory focuses on the structural features of a given model and has helped enliven the examination of core economic concepts.

Forty-one papers provide an overview of French regulation theory. — Journal of Economic Literature
