**W. Baets, E. Oldenboom : Rethinking Growth: Social Intrapreneurship for Sustainable Performance (The Diversity, Leadership and Responsibility Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rethinking Growth: Social Intrapreneurship for Sustainable Performance (The

Diversity, Leadership and Responsibility Series):

Should we rethink growth? Is the abundance of the western world still ethical? Growth, social responsibility and sustainable development are indeed deeply entangled. This book aims to provide the reader with a transversal, holistic view on these issues, and a real understanding of corporate growth, along with its possible alternatives.

About the Author WALTER BAETS is Professor Complexity, Knowledge and Innovation, Associate Dean for Research and MBA Director at Euromed Marseille Ecole de Management, France. He obtained a PhD at Warwick Business School (UK) and a Habilitation thesis in Aix-Marseille, France. ERNA OLDENBOOM is a specialist in leadership, health and transformation. She obtained a BA in Human Resources Management, a MA in Organizational Design, and a MPhil in Political Sciences (Peace and Conflict management) at the University of Granada, Spain. She is an ayurvedic massage therapist and continued her education in ayurveda and health management with Deepak Chopra.
