**J. Gordon : Risky Business in China: A Guide to Due Diligence (Palgrave Pocket Consultants)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Risky Business in China: A Guide to Due Diligence (Palgrave Pocket Consultants):

Risk is a major reason that companies fail in, or fail to enter, China. This unique book demonstrates how correctly-applied due diligence can not only reduce business risk in China, but also provide excellent business intelligence to support negotiations and business relationships. Based upon the author's twenty years of consulting experience in China, this practical book is packed with real-world case studies of failures and successes, providing a valuable and detailed 'road map' to avoiding the most high-profile pitfalls of business in China.
