Inter-American Development Bank : Room for Development: Housing Markets in Latin America and the Caribbean (Development in the Americas (Hardcover)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Room for Development: Housing Markets in Latin America and the

Caribbean (Development in the Americas (Hardcover)):

Latin American and Caribbean countries are the most urban in the developing world and have very high home ownership rates. However, many of the region's inhabitants are still poorly housed. This book examines three key contributing issues: high housing prices relative to family income, lack of access to mortgage credit, and high land prices.
