**Louis L. Straney : Securities Fraud: Detection, Prevention and Control (Wiley Finance)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Securities Fraud: Detection, Prevention and Control (Wiley Finance):

0 of 0 people found the following review helpful. How to Understand Investment FraudsBy AStarted to read this book after watching Wolf of Wall Street. For people who have savings to start to think about investment, it's a good book to understand not just for securities, but also some basic rules about how to close deals0 of 1 people found the

following review helpful. The Fraud is the PriceBy Village Guyfatuous, opinionated writer, fairly full of himself, drips with contempt for wall street and the financial industry in general

The first complete, expert guide to securities and investment fraud Filled with expert guidance for detection and prevention of all kinds of securities fraud and investment misconduct, Securities Fraud helps you identify red flags of fraud and offers practical ways to detect and prevent it. Written by a Wall Street professional with three decades of experience spanning the most critical period of our financial markets This book challenges classic fraud theories, describing how to dismantle information silos that permit fraudsters to conceal their activities. Begins with an overview of the evolution of securities regulation and the impact of securities fraud Offers real cases and examples which illustrate recurring themes and red flags Provides the first guide of its kind to offer a complete look at the various kinds of securities fraud and investment misconduct Securities Fraud is the essential guide you need for a bird's-eye view of fraud that may be taking place even now within your own organization and with your portfolio.

About the AuthorLouis L. Straney (Santa Fe, NM) spent 24 years as a senior manager in the financial services industry including a four year tenure at Director level with Smith Barney. In 2007, he created Arbitration Insight, LLC, where he provides expert witness and consulting services for securities and commodities related disputes. He has published articles in law journals and a self-study course on securities fraud for the Association of Certified Fraud Examiners (ACFE), where he provides training and is a regular speaker at national and local conferences and events.
