Sedona and the Verde Valley is art Meccas and you will find a lot of interesting information in this book.1 of 1 people found the following review helpful. Five StarsBy Jan SittsExcellent articles on artists and also the history about Sedona kept it interesting.

The jaw-dropping allure of the Sedona Verde Valley is a magnet for celebrated visual artists from around the world. This unforgettable landscape has inspired nearly a century of diverse painting, experimental collage, provocative sculpture and stimulating architecture. Tourists and locals are enamored of the Chapel of the Holy Cross, and the unique and often political art of Jerome continues to evolve. In a captivating exploration of state and regional styles alongside profiles of contemporary masters, author and historian Lili DeBarbieri presents the full story of Sedona art.
