Leadership Made Simple But EffectiveBy Mickey ProThis book is great for both students and practitioners. It reveals the most important components of leadership from a self-engaging approach to a more comprehensive application. I strongly recommend it for aspiring as well established leaders.

Written by the scholars who first developed the theory of self-leadership (Christopher P. Neck, Charles C. Manz, Jeffery D. Houghton), *Self-Leadership: The Definitive Guide to Personal Excellence* offers powerful yet practical advice for leading yourself to personal excellence. Grounded in research, this milestone book is based on a simple yet revolutionary principle: First learn to lead yourself, and then you will be in a solid position to effectively lead others. This inclusive approach to self-motivation and self-influence equips readers with the strategies and tips they need to

build a strong foundation in the study of management, as well as enhancing their own personal effectiveness.

About the Author Dr. Christopher P. Neck is currently an Associate Professor of Management at Arizona State University, where he held the title "University Master Teacher."
