Five StarsBy Rob DennisExcellent book on the latest trends and theories on Servant Leadership.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerGreat book teaching about

the true meaning of being a servant-leader..

Servant-leadership may be the answer to the current demand for a more ethical, people-centred leadership where humility, servitude and contribution are key elements. The purpose of this book is to provide an overview of current thinking and empirical research of the determinants, underlying processes and consequences of servant leadership.
